manacor ciudad del mueble

En Ebanistería Serralt S.A. hemos estado fabricando muebles durante 50 años. Empezamos siendo un pequeño taller artesanal de Manacor, la ciudad del mueble, y crecimos hasta convertirnos en una mediana empresa totalmente actualizada y adaptada al presente. En el 2011 la empresa acometió un fuerte proyecto de innovación del que surge Engebo como primera colección.

La calidez de la madera, formas suaves y esenciales en un diseño elegante. Los acabados realizados artesanalmente. Son las señas de identidad de la Colección Engebo de Serralt.

Muebles en diseños contemporáneos, capaces de aportar un toque de exclusividad a su hogar. La calidad de sus acabados garantizan que los muebles de la Colección Engebo mantendrán su belleza en el tiempo.
